zoom

You can come along to the **Sprowston Diamond Centre** in Norwich or join us on **zoom**.

Our Group

It will be a chance to hear from our groups and projects about what we have been up to this year.

After the AGM we will share a packed lunch together before saying goodbye 😊

Changing our rules

Voting at the AGM

At our AGM there will be a vote.
This is to change something in our rules (constitution).

During Covid our Trustees met face to face and by video call.

Our AGM also had some people on zoom.

We would like to change our rules so our constitution allows us to do this all the time, not just in a pandemic.

There will be more information and a vote on this at the AGM.
